

RoHS Compliance

Directive 2011/65/EU on the restriction of the use of hazardous substances in electrical and electronic equipment. The directive should also help improve the possibility to economic and sustainable recycling of electric and electronic equipment.

The RoHS-directive is correlated to directive 2012/19/EU on material that consists of or contain electric or electronic components (WEEE).

EI-Supply AB confirms that we only deliver products which are in accordance with the actual demands in the ROHS directive 2011/65/EU.
